

Let Your Light Shine to the World Through the Internet!

*...let your light shine before men, that they may see your good deeds and praise your Father in heaven.
St. Matthew 5:16 NIV*

In this verse Jesus lets us know that all are called to be light for Christ that He might be known to all people, and this is where Net Ministries comes in. We are a non-profit corporation created to support your Christian charitable organization, ministry, or church by providing you a presence on the Internet. This Internet presence, is just another way your "light" will shine in this world to glorify God.

If we truly must "go into all the world" then the light of Christ needs to shine through the Internet. Internet is the emerging communications medium of the 21st century. It enables computers around the world to send and receive text, pictures, audio, and even video information. Anyone, from an individual to the largest company can utilize this resource.

M&P International Network (MPINETS), the designers of the Jurisdictional website at <http://www.socal2nd.org>, is dedicated to enabling any church or ministry in 2nd Jurisdiction to have an Internet presence. For **\$125**, MPINETS will create a basic page (hosted on the Jurisdictional website) that will include one photo, address, phone number, contact persons, and text areas which can describe any information the church or ministry would like to publicize.

If interested, complete the form below and return along with your payment and any images, to P.O. BOX 2126, Centreville, VA 20122-2126. Make all checks payable to: M&P International Network.
